- step-forward
- stop
- stop-circle
- stop-circle-o
- youtube-play

# Brand Icons

### ⚠ Warning!

Apparently, Adblock Plus can remove Font Awesome brand icons with their "Remove Social Media Buttons" setting. We will not use hacks to force them to display. Please **report an issue with Adblock Plus** if you believe this to be an error. To work around this, you'll need to modify the social icon class names.
